October 19, 2011, 12:06 am

@swirlinc: We'll toss out our first question: what interracial dating issues exist in the #LGBT community? #swirlchat

October 19, 2011, 12:09 am

@onlyONscripting: The same ones that exist in the hetero dating arena, I guess: some races are more 'preferred' than others. #swirlchat

October 19, 2011, 12:10 am

@swirlinc: @onlyONscripting What would you say those are? #swirlchat

October 19, 2011, 12:12 am

@onlyONscripting: Seems like white is at the top of the spectrum--almost a trophy--and black and Asian are toward the lower end of the totem pole. #swirlchat

October 19, 2011, 12:13 am

@swirlinc: @onlyONscripting White as a trophy? That's interesting! Can you say more about that? #swirlchat

October 19, 2011, 12:16 am

@onlyONscripting: I've witnessed some men of color become involved with any white guy -- regardless of age or looks -- for the fact that they ... #swirlchat

October 19, 2011, 12:20 am

@onlyONscripting: ... have a 'white boy' to call their own. It's almost like a prestigious thing to think you can pull a white guy. #swirlchat

October 19, 2011, 12:20 am

@swirlinc: @onlyONscripting Very interesting! Do you think the same exists in reverse, for men of color to be a trophy for a white guy? #swirlchat

October 19, 2011, 12:23 am

@onlyONscripting: LOL ... that's a whole different can of worms. I think a lot of times when folks in the gay community see a white guy with ... #swirlchat

October 19, 2011, 12:25 am

@onlyONscripting: ... a man of color, they question "who has a fetish for who?" & "Who's 'winning' here and getting their fantasy fulfilled. #swirlchat

October 19, 2011, 12:27 am

@swirlinc: @onlyONscripting So not "These two guys are in love, " but the perception that this is purely a relationship based on looks? #swirlchat

October 19, 2011, 12:28 am

@onlyONscripting: Yeah ... kind of like one person is just a shell or filling a mold for the other's attraction or fetish. #swirlchat

October 19, 2011, 12:38 am

@onlyONscripting: Hmm ... now that I'm thinking about it -- and this could be related to where I've lived -- many gay relationships seem to be ... #swirlchat

October 19, 2011, 12:43 am

@onlyONscripting: ... interracial. Seems that whites and Latinos are more likely to stick to their own race, but overall, lots of outside dating. #swirlchat

October 19, 2011, 12:44 am

@swirlinc: @onlyONscripting Why do you think that is? #swirlchat

October 19, 2011, 12:47 am

@onlyONscripting: The interracial dating? Maybe once you "cross into one taboo," what's the problem with adding another to the mix? lol #swirlchat

October 19, 2011, 12:48 am

@swirlinc: @onlyONscripting LOL ... good point! #swirlchat

October 19, 2011, 12:50 am
