[about 43 minutes ago @swirlinc](#) of course! The whole [#lightskinbitch](#) exchange, 'she think she nice'.

"Don't tell ME what I think." [#swirlchat](#)

[about 49 minutes ago @swirlinc](#) Thank you and have a great week. Till the next [#swirlchat](#)

[about 50 minutes ago](#) Our time is nearing an end! Thanks everyone for joining. Please send your feedback to info@swirlinc.org so that we can improve! [#swirlchat](#)

[about 51 minutes ago @kadavids](#) I agree. Stereotypes exist for all groups. [#swirlchat](#)

[about 59 minutes ago @jenkchau](#) The stereotype does need to be challenged - but beyond our community. After all, we are all just human [#swirlchat](#)

negative way [#swirlchat](#)

[about 1 hour ago](#) [@kadavids](#) That might be a good future [#swirlchat](#) topic!

[about 1 hour ago](#) [@kadavids](#) I wonder if the focus on the physical is part of it...and I do think it's a complex issue. Probably a lot of factors. [#swirlchat](#)

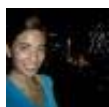

[about 1 hour ago](#) [@jenkchau](#) Are we lacking politically b/c ppl don't take our seriously (only a pretty face) or b/c they didn't recognize us? [#swirlchat](#)

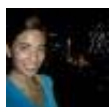

[about 1 hour ago](#) [@butilovememore](#) So have you ever responded to someone who may have judged you based on looks? [#swirlchat](#)

[about 1 hour ago](#) be challenged. I think the focus on looks has played *a part* in our "mixed community" struggling to have a political voice. [#swirlchat](#)

[about 1 hour ago](#) Part of me thinks that the focus on looks is silly and something that can be ignored. Another part of me thinks that it has to... [#swirlchat](#)

[about 1 hour ago](#) ...what impact does that statement have on other kids of color? Other kids in general? [#swirlchat](#)

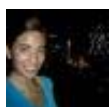

[about 1 hour ago](#) [@swirlinc](#) personally, I've always made a point of being judged on my merit so ... [#swirlchat](#)

[about 1 hour ago](#) [@jenkchau](#) It doesn't. However if someone makes a comment that I only got where I am based on my looks - that does [#swirlchat](#)

[about 1 hour ago](#) I also think that positive stereotypes are harmful. And divisive. If there is a lot of talk about mixed kids being the cutest... [#swirlchat](#)

[about 1 hour ago](#) [@kadavids](#) So if you think mixed kids are cuter then I suppose it doesn't bother you when you hear other people say it? [#swirlchat](#)

[about 1 hour ago @swirlchat](#) Well, I do tend to think mixed kids are cuter, but its my personal bias. With athletes ppl rise above race [#swirlchat](#)

[about 1 hour ago @jenkchau @swirlchat](#) Do you find it weird that mostly Black/White mixes are highlighted? [#swirlchat](#)

[about 1 hour ago @butilovememore](#) Hi Nova! Welcome to [#swirlchat](#)

[about 1 hour ago @butilovememore](#) Meaning, there is a lot of focus on how mixed people look. Articles on the attractiveness of mixed people, etc. [#swirlchat](#)

[about 1 hour ago @swirlinc](#) what do you mean by 'superficial'? [#swirlchat](#)

[about 1 hour ago @butilovememore](#) Thanks for joining us! We'd love to hear your thoughts. [#swirlchat](#)

[about 1 hour ago "@swirlinc: What do others of you out there think about this topic? How do mixed people get others to look past the superficial? #swirlchat"](#)

[about 1 hour ago @jenkchau](#) Agree. Sometimes people don't understand when I annoyed/offended when people talk about my looks. [#swirlchat](#)

[about 1 hour ago](#) What do others of you out there think about this topic? How do mixed people get others to look past the superficial? [#swirlchat](#)

[about 1 hour ago @kadavids](#) I think part of it is what Swirl members do all the time - participate in dialogue that acknowledges the complexity. [#swirlchat](#)

[about 1 hour ago @jenkchau @swirlinc](#) How can we change people's perceptions and stereotypes that we are more than just our looks [#swirlchat](#)

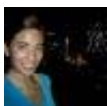

[about 1 hour ago](#) RT [@swirlinc](#): How do you respond when someone inevitably makes the comment, "Mixed kids are the cutest?" [#swirlchat](#)

[about 1 hour ago](#) [@jenkchau](#) cool thanks for the resource! [#swirlchat](#)

[about 1 hour ago](#) How do you respond when someone inevitably makes the comment, "Mixed kids are the cutest?" [#swirlchat](#)

[about 1 hour ago](#) [@kadavids](#) Vin did a short film in 1995 that talks about being a multiracial actor - <http://t.co/kgp4XPv7> [#swirlchat](#)

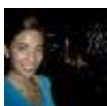

[about 1 hour ago](#) [@kadavids](#) That's true about other ethnicities being objectified too... [#swirlchat](#)

[about 1 hour ago](#) [@jenkchau](#) most notably Vin Diesel and Deter Jeter. Actually, I think only men can get away with not talking about it [#swirlchat](#)

[about 1 hour ago](#) [@jenkchau](#) But they also have sexy lists for other ethnic backgrounds. Some mixed ppl are very private about their upbringing [#swirlchat](#)

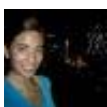

[about 1 hour ago](#) [@kadavids](#) That's common amongst mixed ppl in the spotlight. Or to focus on the family story-how the parents got together. [#swirlchat](#)

[about 1 hour ago](#) The constant attention to the superficial keeps dialogue around multiraciality simplistic. There are so many other things. [#swirlchat](#)

[about 1 hour ago](#) [@jenkchau](#) Do you remember when Amerie came out? In every interview, they talked about her looks; not her talent [#swirlchat](#)

[about 1 hour ago](#) [@swirlinc](#) Sigh...It's old. Are we still talking about the attractiveness of multiracial people? Is that all there is to talk about? [#swirlchat](#)

[about 1 hour ago](#) Hi [@swirlinc](#) Here's to a great 2012! This article is pretty interesting: <http://t.co/PqpUOrmB>. Seems stereotypical tho [#swirlchat](#)

[about 2 hours ago](#) Almost time for the 1st [#swirlchat](#) of 2012: looks and the [#mixed](#) race community! Is that a compliment or are you objectifying me? @ 3pm EST.
